APPENDICES

# Appendix A—DAU Regions

In order to better serve the AT&L workforce, DAU has established five regional campuses. All regions maintain training sites in addition to their main campuses. DAU's regional campuses and their additional training sites are listed below:

## **DAU West Region, San Diego, CA**

Colorado Springs, CO  
Pearl Harbor, HI  
Los Angeles, CA  
Port Hueneme, CA  
Rock Island, IL

## **DAU Midwest Region, Kettering, OH**

(near Wright-Patterson Air Force Base)  
Columbus, OH  
Warren, MI

## **DAU South Region, Huntsville, AL**

Eglin AFB, FL  
MacDill AFB, FL

## **DAU Mid-Atlantic Region, California, MD**

(near Patuxent River Naval Air Station)  
Fort Lee, VA  
Kaiserslautern, Germany  
Norfolk, VA

## **DAU Capital and Northeast Region, Fort Belvoir, VA**

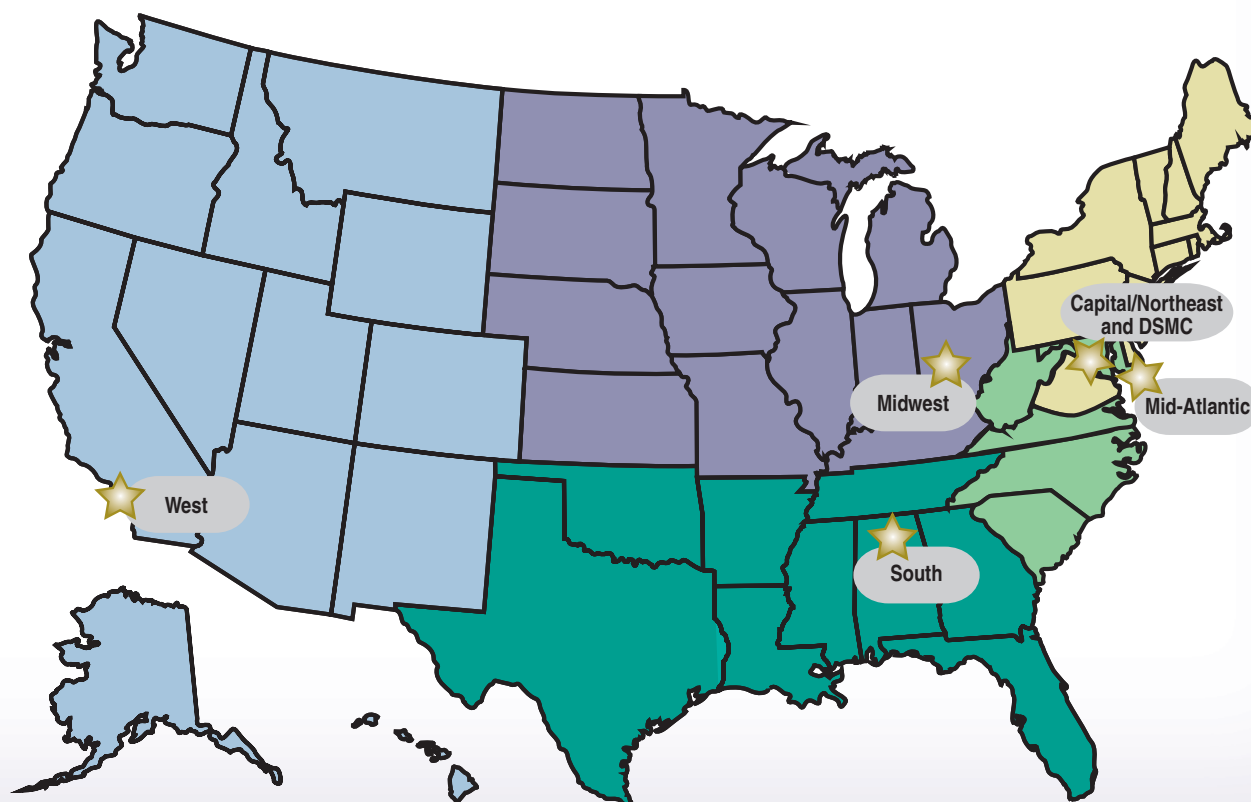

Fort Monmouth, NJ  
Hanscom AFB, MA

The DSMC – School of Program Managers is colocated with the Capital and Northeast Region at Fort Belvoir, VA.

Each DAU campus is fully equipped to accommodate student needs. Housing, dining facilities, libraries, fitness facilities, and medical facilities are available to DAU students at each campus. Each training site has a minimum of one DAU-dedicated classroom with state-of-the-art instructional technology. Since all of these sites are located either on or near a military facility, a full range of support services is available.

Main campus classrooms are furnished with state-of-the-art equipment to enhance the student's learning experience. Many sites also provide bookstores, post/base exchanges and commissaries, chapels, bus transportation, barber shops, dry cleaners, and ATM locations. Upon registration, students will receive information about these and other services.

In addition to resident and online training, many classes are offered locally when the number of students in one location warrants bringing the instruction to where the workforce is concentrated. Usually this is determined by what proves to be the best value for the government. (See Chapter 3, Course Descriptions, for the method of delivery for each course.)
